SheBuilds on Lovable — Volunteer Information

What is Lovable?

Lovable is a Swedish AI "vibe coding" platform with a unicorn valuation of $1.8 billion. It enables anyone to build full-stack applications using natural language — no coding experience required[1].

Website: https://lovable.dev

What is SheBuilds?

SheBuilds is Lovable's hackathon initiative designed to empower women in tech by helping them build real AI-powered applications. The program welcomes both experienced coders and complete beginners[2].

Event Website: https://shebuilds.lovable.app

Upcoming Event

Date: March 8, 2026 (International Women's Day)

Format: Global in-person events in multiple cities, including Pune

Volunteer Opportunities

Volunteering for SheBuilds covers two key areas. You can choose to contribute to either or both:

1. Event Organization

Responsibilities include:

- Arranging venue and facilities
- Coordinating food and beverages
- Getting banners and information materials printed and positioned
- Promoting event posts on social media
- Providing boots-on-ground support at the venue on event day

2. Participant Support

Responsibilities include:

- Helping women participants set up their Lovable accounts
- Answering technical questions
- Troubleshooting technical issues during the event

Why Volunteer?

- Support women entering the tech and AI space
- Gain experience in event organization and community building
- Connect with the global Lovable community
- Contribute to International Women's Day celebrations
- Help participants build real applications using cutting-edge AI tools

How to Become a Volunteer

Important: To volunteer, you must be an active Lovable.dev user.

1. Visit https://lovable.dev/invite/NRFXUEI and create your free account (this link gives you 10 Lovable credits to start building right away)
2. Experiment with building a simple app or website
3. Publish your creation
4. Sign up as a volunteer at https://shebuilds-iwd-volunteer.lovable.app
5. Wait for approval from the Lovable community team
6. Get ready to support women builders on March 8, 2026!

Registration Link: https://shebuilds-iwd-volunteer.lovable.app

The Lovable community managers will review your application by:

- Checking your Lovable.dev account for published projects
- Reviewing your social media presence for prior engagement with Lovable
- Verifying your commitment to supporting the community

Note: You must already have a Lovable.dev account (free account OK) with at least one published app/website/content built on it. Make sure to read the section "Two Ways to Contribute > Host a 3-Hour In-Person Event Free of Charge to Participants on Sunday, March 8, 2026" during sign-up.

Event Details

Event Name	SheBuilds on Lovable
Date	Sunday, March 8, 2026
Duration	3-hour in-person event
Cost to Participants	Free of charge
Location	Multiple cities including Pune
Target Audience	Women interested in building AI apps

Table 1: SheBuilds Event Overview

Event Day Agenda (3-Hour Format)

As an Event Host, you will facilitate the event according to this structured agenda. Adapt timing to fit your group while keeping the overall structure so every participant gets the full experience.

Session 1: Arrival & Connection (30 minutes)

Intent: Create a welcoming, low-pressure environment where everyone feels comfortable participating and set the tone for community.

Actions:

- Participants arrive, get settled, start connecting with each other
- Pre-event survey

Session 2: Why This Day Matters (15-20 minutes)

Intent: Anchor the day in purpose and shared momentum.

Actions:

- Host Welcome
  - Why you chose to host
  - Connection to SheBuilds / Lovable
  - What you hope participants walk away with
- Video: Kickoff Message (5-10 minutes)

Session 3: Expanding Who Builds (20 minutes)

Intent: Help participants see themselves as builders and contributors, regardless of background or experience.

Actions:

- Video: Women & AI (5 minutes)
- Group reflection and conversation

Session 4: Get Ready to Build (16 minutes)

Intent: Remove friction and build confidence before people start building.

Actions:

- Login or create a Lovable account
- Video: Intro to Lovable
- Building Mindset:
  - Share what you're learning, tips, etc.
  - Ask for help
  - Get feedback
  - No judgment, just building
- Share support resources

Session 5: Build → Publish. Together. (90 minutes)

Intent: Confidence through action and shared progress, learnings, etc.

Goal: Everyone leaves having published something (or very close).

Actions:

- Participants build independently or together, and collaboratively
- Host encourages:
  - Asking questions to the room
  - Sharing learnings and quick wins
  - Pairing up or working side-by-side if helpful
- Optional: voluntary screen sharing / live build share

Session 6: Share, Celebrate, Connect, Go Forward a Builder (30 minutes)

Intent: Celebrate participation and strengthen community connections.

Actions:

- Submit project links to SheBuilds IWD showcase page
- Build share (depending on group size):
  - What you built
  - One thing you learned
  - One moment that surprised you
- Social Moment:
  - Post build on social media
  - Tag Lovable
  - Use #SheBuildsIWD2026
  - Engage with others' posts
- Post-event survey
- Video: thank you / wrap-up message
- Group photo with heart hands
  - Submitted to shebuilds.lovable.app by host
- How to stay involved:
  - SheBuilds channel in Lovable Discord server
  - SheBuilds webinars

- SheBuilds YouTube playlist
- SheBuilds mailing list opt-in
